

Motorhome owners, choose natural sites...

... and discover the best the French countryside has to offer!

Safe and peaceful stopovers in all the regions of France... meet passionate people, taste and enjoy...

Try authentic local products... olive oil, cheese, wine from all the wine-growing regions of France, organic fruit and vegetables, cooked meats, honey, seafood...

The concept is simple: all over France farmers and wine-growers invite you to stopover freely on their property, day or night, for up to 24hrs.

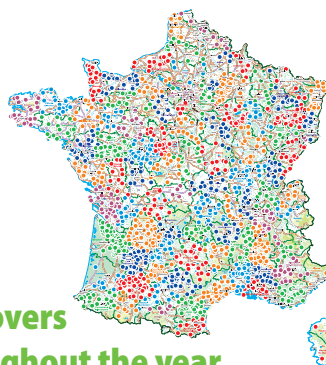

The only requirements to use this incredible network of sites are:

- a self-contained motorhome (water and waste)
- an up to date Stopover Guide
- and to follow the France Passion "Golden Rules" (greet your hosts on arrival, leave the site clean, let your hosts know when you leave...)
